Charming 1927 Brick Home in Five Points — Walk to Everything** Step into timeless character with modern peace of mind. This beautifully maintained 1927 brick home sits on a desirable corner lot in the heart of Five Points, just a block or two from the Greenway Trail, UNCA, downtown Asheville, and neighborhood grocery stores. Whether you're heading out for a morning run, a bike ride to campus, or an evening stroll to dinner, this location puts it all within easy reach. Inside, the home blends historic charm with thoughtful updates. A kitchen addition adds valuable living space and modern function, while replaced roof, wiring, windows, and pipes mean the big-ticket items are already taken care of. The home is fully insulated for year-round comfort and efficiency, and the basement stays dry — a rare find in a home of this era. Outside, mature landscaping and beautiful gardens create a private, park-like feel, all enclosed by a fenced yard perfect for pets, play, or relaxing outdoors. A one-car garage adds convenient storage and parking on the corner lot. Homes like this — with genuine 1927 character, major systems already updated, and an unbeatable walkable location — don't come along often.
